

Checklist for Success at Make Smoking History Wagin Woolorama

You know that participating in WA's largest regional agricultural show brings many advantages. You not only have access to a vast number of visitors during the two days, but following the event, we receive many enquiries seeking contact details for something someone has seen at Woolorama sometimes up to three years before!!

In addition, the advertising you do in the official program and other rural media not only reaches those who can't attend, but becomes an important purchasing reference for all farmers.

Here is a checklist to assist you in planning to maximise your success at Woolorama in 2017. We have used a combination of anecdotal evidence and published research to identify factors critical to success.

Get the planning done

- Site Application Form and payment sent
- Copy of Public Liability Insurance sent
- Book/arrange accommodation
- Exhibitor Awards entry sent
- Public Address advertising booked
- Liquor License Application sent
- Advertising booked
