2019 Make Smoking History Wagin Woolorama MAKING A CONTRIBUTION TO WOOLORAMA

Competitions are at the very heart of the Make Smoking History Wagin Woolorama agricultural show. This is where individuals and businesses have the opportunity to show their livestock, horses, working dogs or poultry; their produce or handiwork; their skills and talents, and to compete with likeminded people who are equally passionate about their chosen field.

For exhibitors and visitors alike, Competitions are the place to be to admire entries, to catch up with other interested people, and to feel the excitement of the competition. Collectively our sponsors and donors contribute significantly to these events and we are pleased to acknowledge them throughout the Show Schedule and at Woolorama.

You are invited to help reward the exhibitors and entrants by making a contribution towards prize money and trophies. Donations may be made to a Section of your choice for as little as \$20, and the Wagin Agricultural Society Inc will be pleased to acknowledge you as a contributor at Woolorama.
